“A New Chapter for Grace”

Judy Gillease
Senior Warden

I am so proud to be a part of a faithful family of Christian Worshipers. We have been through a lot in the past years and we always rise up strong and ready to take on the next challenge. God told us that it wouldn't be easy to follow Him, but we meet each event head on.

At our annual meeting we heard Fr. Joe tell us that he would be retiring. Our first feelings were sadness, because we just got him back and don't want to see him go. But then we realized that we can't be selfish and that he has served us well from his All Saints days to St. Anne's and then to Grace Anglican to keep us honoring the word of Jesus as Anglicans. Thank you Fr. Joe for your faith and leadership, and praise to Our Lord & God! Now we must set our sights on finding a new pastor to keep leading us on.

We are moving ahead by forming a Calling Committee to search for the person that God wants us to have to go forward. At our next vestry meeting we will select someone to chair the committee. I already have some names of people that want to serve on that committee. We need a cross section of people to represent each and every one of us, for we are the church under Christ as the Head.

Everyone will have a chance to have their voice heard, so be thinking about what your vision is for Grace. Soon you will have an opportunity to fill out a questionnaire so that the committee will be able to have a better picture of how we see ourselves now and in the future. With Christ's vision of ourselves we will have a better idea of what kind of a priest we feel we need to lead us. This profile will also be made available to the candidates so they can see who we are. This is a two way street.

We don't have to do this on our own, our new Bishop Keith Andrews, has already told us that he will help us along the way. He is sending us some information from another church in our diocese that is further along in their search process so that we can see just how things move along. It takes time and patience.

It is an exciting time for us, so let's keep this process in our daily prayers. Now let's get our heads together and start enjoying the process.

I ask God's blessings on every one of us as we start this journey.

Recycle, Recycle, Recycle
